

PUBLICATION DATE: FEBRUARY 2015

The Fund Industry, authored by industry experts Robert Pozen and Theresa Hamacher, offers a decisive look at mutual funds, taking readers on a tour of how these funds are marketed, regulated, and invested in stocks and bonds. Readers will learn the critical factors that indicate a fund's suitability for investment or as part of a retirement plan, with expert advice on what to look for when reading prospectuses, shareholder reports, and third party reviews. This updated edition provides new information on private equity, venture capital, and other institutional managers, plus expanded retirement coverage including employer-based plans and other options.

The cover price for the book will be \$60, but bulk Pre-Orders are now being accepted for shipping in late February 2015 at greatly reduced prices:
